

Do We Have Your

Email Address?

For several years, AAA Financial Corporation has been striving to be more ecologically friendly by communicating with our clients via email and our website to conserve paper usage. Our goal is to become completely paperless by 2010! In addition to being less impactful to our environment, email communication reaches you much faster allowing for quicker, more efficient servicing of your account!

The following features are available to all clients whose email address is on file and has an online profile:

- 👁️ Pre-debit email reminder notifications 48 hours prior to debit
- 👁️ Instant 24/7 online access to account information
- 👁️ View your payment history
- 👁️ Email confirmations of recent changes to your account
- 👁️ Updates on new services available to you
- 👁️ Amortization, Analysis and Audit report requests on your account

Help us reach this goal and do your part in conserving the environment by providing your email address!

Disclosure: Please note that AAA's privacy policy stipulates that the company does not sell its email lists and does not distribute SPAM or unwelcome mail to any of its clients. AAA will only communicate with you regarding your account, recent changes, debit notification reminders and status.

Please complete the information below and return it to AAA Financial Corporation by fax or mail, or you may email us at support@aaafinancial.com.
